Another Year With A Balanced Budget

Mayor Kyle R. Hastings introduced an unprecedented 19th balanced budget to the Village Board. On April 25, 2012 the Trustees voted unanimously to approve the budget for the upcoming fiscal year. This is the longest consecutive series of balanced budgets, in Orland Hills' history.

While we have experienced one of the worst economic times in Illinois history and our nation; the State of Illinois continues to delay payments and cut back funding to towns. Municipalities have cut back on programs and services to accommodate the revenue shortfalls. In fact, most governments have

cut hundreds of thousands of dollars from their budgets.

Mayor Hastings said, "We have planned infrastructure improvements, innovative programs and maintained high quality services, during this depressed economy. We will continue to be fiscally prudent with our budget, year after year!"

"I am very proud to balance our Village's budget for every consecutive year, while I have been in office. It clearly shows we can run our Village like a successful business," Mayor Hastings added.

Orland Hills Residents Electric Costs Going Down

In March, Mayor Kyle R. Hastings introduced a referendum on the ballot, to the residents, to lower electricity costs to our residents and small businesses.

The residents spoke and approved the referendum authorizing the Village of Orland Hills to seek lower electricity rates. This has allowed the Village to gain group "buying power" for the purchase of electricity.

After researching competitive electricity pricing options for you, the Village of Orland Hills has chosen FirstEnergy Solutions, one of the nation's largest electric suppliers, to provide our residents with savings on electric usage.

As a member of this aggregation, you will automatically receive a price of \$4.73 cents per kilowatt-hour for electricity used. That means that you will save more than 25% over Com Ed's current rate for electricity usage. The new rate will go into effect in November. You will be automatically enrolled in the program unless you "opt-out" with the form being sent to you.

Other than the price and supplier, nothing regarding your electricity service will change. Com Ed will con-

tinue to send you one monthly bill for electric usage and delivery charges. Com Ed will continue to deliver your electricity, restore power following an outage, respond to all emergencies and be responsible for maintaining the system that delivers power to your home.

If you have any questions or would like to have a staff member explain the program – feel free to call one of us at the Village Hall at 708-349-6666.

Orland Hills Recreation Department Receives Grant from Walmart

The Orland Hills Recreation Department received a \$2,500.00 grant from the Walmart Foundation. The funds received were given through the Local Community/Hunger Outreach Grant Program. The funds will be used for daily recreational programs and for the upcoming special events. The Orland Hills Recreation Department would like to thank the Walmart Corporation for their generous donation.

Thank You, Kyle Radgowski

A big thanks goes to Kyle Radgowski of Troop 318. Kyle is an Eagle Scout Candidate who handcrafted three wooden children's games. These games were displayed at the Party in the Park Children's Events and were played by many children. The Village will have these games for all future children's activities. Kyle was recognized for his outstanding work and dedication to his Eagle Scout project at the June 20th Board Meeting.

Mayor Kyle Hastings presenting Kyle with a Certificate of Accomplishment.

E-Waste Collection Program

Fishing Permits

All Anglers must have a Village Fishing Permit to Fish. All Fishing permits may be purchased at the Community Center, 16553 S. Haven Avenue or at the Village Hall, 16033 S. 94th Avenue. Fishing Permits are valid April 1, 2012 through March 31, 2013. One fishing permit will be used for both Lake Lorin and Ashbourne Lake. Please note that the Village Game Wardens will be enforcing the Village permit. Noncompliance is subjected to ticketing and fines. The fees for the permits are as follows:

	Resident	Nonresident
Senior (65yrs. & older)	\$ 1.00	\$ 2.00
Adult	\$ 2.00	\$10.00
Child (3-15yrs)	\$ 1.00	\$ 3.00
Daily Group (up to 6 yrs.)	\$30.00	N/A
Guest of Resident Daily Fee	\$ 5.00	N/A

Some may wonder why you should purchase a fishing permit. Please purchase a fishing permit. When purchasing the fishing permit, you will help maintain the Village's lakes in Orland Hills. The fees are allocated for algae and weed control, aeration, fountain maintenance, along with other miscellaneous lake maintenance. The fishing permit fees are also used for restocking of largemouth bass, catfish and bluegill. For more information, please contact the Recreation Department at (708) 349-7211. Thank you for your help.

Public Words Request

Do Not Dump Lawn Clippings

Please remember that when you are cutting your lawn, the Public Works Department requests residents not to dump lawn clippings or any other debris in or around detention ponds or Village Lakes. When debris is dumped, it blocks the water flow, which can result in flooding! If a resident should witness anyone dumping any debris, please call the Police

Department immediately at 349-4434. You can remain anonymous but give the address of the person or persons dumping debris, so the situation can be properly addressed. We all need to take a part in keeping our Village clean of debris and the storm water flowing to prevent flooding.

State Representative Mr. Bill Cunningham and the Orland Hills Recreation Department host **Movie in the Park**

State Representative of the 35th District Mr. Bill Cunningham and the Village of Orland Hills Recreation Department teamed up to co-host their 1st Movie in the Park. The movie featured was "Zookeeper." The event was held on Friday, August 3rd, at the Kelly Park Pony field and began around dusk and ended at 10:00pm.

Mayor Kyle R. Hastings, Trustees Candice Morrison, Tracy Roti, Joseph Janachowski and Kyle R. Hastings II accompanied State Representative Mr. Bill Cunningham and State Democratic Candidate Mrs. Fran Hurley. A large movie screen and PA system were used. The Orland Hills Recreation Department sold popcorn and water. More than 500 residents were in attendance to watch the show.

All of our Village Residents brought lawn chairs and blankets to the movie. The summer weather was warm and comfortable. Everyone enjoyed the feature and had a wonderful time. The event was a great success. See you next year!!!

Tornado Safety Tips

From Mayor Kyle R. Hastings and the Village Board

It's important to know the difference between a tornado watch and a tornado warning. A tornado watch means that atmospheric conditions are such that a tornado could develop. A tornado warning means that an actual tornado has been sighted in the area.

- When the sky looks threatening, tune in an AM radio station, such as WMAQ-670, WGN-720 or WBBM-780 and listen for emergency weather information.
- Listen for the Orland Park outdoor warning siren system. An actual tornado warning is a three to five-minute steady blast. This means that a tornado has been sighted in the area, and you should take cover immediately. The Village of Orland Park outdoor warning siren system is tested on the first Tuesday of each month at approximately 10:30 a.m. with one minute steady, one minute silence and one minute steady.
- If at home, stay away from windows, outside walls and exterior doors. If possible, go to a basement. If not, go to a small room, such as a closet or bathroom, in the center of a home on the lowest level.
- If in a school, stay away from windows and gymnasiums or other areas with wide roofs that could easily collapse.
- If in a shopping center or large building, look for a pre-designated shelter or go to a middle hallway on the lowest floor, staying away from skylights.
- If you are in a car, leave it and find shelter. If none is found, lie flat in the nearest ditch, ravine or culvert, and cover your head with your hands.

Girl Scouts Planting Day

As always, the Girl Scout Troops do a beautiful job planting flowers at all of our "Welcome to Orland Hills" signs.

This year the planting took place on May 5th and it was an awesome day. Thank you to our Public Works Department for helping out along with Trustee Candice Morrison and Trustee Joe Janachowski with the planting. After a busy day planting, everyone headed to the Recreation Center for lunch. Subway sandwiches were provided for all that were involved in the beautification of our Village.

HALLOWEEN SAFETY TIPS

Halloween is fast approaching and the kids are preparing their costumes for a fun and safe day. Keeping your children safe on this day will ensure that their day is fun filled and memorable. Here are some safety tips to help keep your children safe:

- Always use common sense
- Never trick-or-treat alone
- Plan your entire route and make sure your family knows it
- Wear a flame retardant costume
- Have an adult check your candy before you eat it
- Be very cautious of strangers
- Accept treats only at the doorway NEVER go in the house
- Be sure to say thank you for your treats
- Don't play near lit pumpkins
- Visit only houses with the lights on
- Walk, don't run
- Walk on sidewalks and driveways, not in the street
- Cross the street at the corner or in a crosswalk
- Take a cell phone with you
- Carry a flashlight

Practicing these safety tips will help make sure your child has a safe and Happy Halloween!

Someone You Should Know

By Trustee Joe Janachowski

We would like to introduce Joseph M. Clavio. Joe is an Orland Hills resident who currently attends Andrew High School as a Junior. He has been involved in all levels of scouting for the past 11 years. During this time, Joe has been rising through the ranks and is now attempting his greatest challenge...earning the honor of Eagle Scout.

Joe has been an active member of the community. He has participated in many sports and related activities. He has been involved in baseball, basketball, softball, and volleyball. Joe has given his service to the community by volunteering his time to help out at the Volleyball and Softball Summer Sports Camps at Prairie View Middle School. He is currently giving his service after school to the Softball team.

Joe has generously donated his time, service, and energy to many worthwhile endeavors to help out the needy in our community. He currently ran a food and personal care product donation drive as his Eagle Project through Together We Cope. This organization is non-profit organization that assists families in a temporary crisis from 22 communities in the area. Joe was in charge of organizing, planning, and implementing his Eagle Project Plan successfully on Saturday, August 18th. He relied on his fellow scouts, leaders, family, and friends to help him make this project a success. Joe was responsible for delegating a crew of volunteers to help him collect, sort, count, and pack the items for Together We Cope. These items will then be distributed to those that are less fortunate or in a crisis in the community.

Trustee Joe Janachowski, Joseph Clavio, Mayor Kyle Hastings

Joe went above and beyond his service to the needy in crisis in our community.

He collected over 5,500 items. These items weighed over 3,000 lbs. Joe is still helping the organization with continued donations from his neighborhood. He is very thankful for the generosity of the people who have donated food and personal care products to his Eagle Project.

The Village is proud of this young man's achievement and takes great pride in congratulating him in his future accomplishments. Mayor Kyle Hastings would also like to congratulate Joe and wish him continued success in achieving his greatest goal... Eagle Scout!

School's Back!

School is just weeks into the academic year lets remember a few things:

- **DO NOT** use your **cellular phones** in school speed zones.
- **20 MILES PER HOUR** is the speed limit in **school zones**.
- **CROSSWALKS** are the safest spots to cross the street.
- **BE AWARE** of your Crossing Guards. They are there to help keep kids safe!
- **FOLLOW** the posted speed limits on side streets. Majority of our roads have kids playing near by, so **DRIVE SAFE!**

Let's have a Safe 2012-2013 Year at Fernway Park Elementary, Cardinal J. Bernardin, Prairie View Junior High, Sandburg & Andrew High Schools.

Snow Shoveling Opportunity – LEND A HELPING HAND

Mayor Kyle R. Hastings is asking all healthy, industrious and caring residents to sign up to help elderly residents. Any resident, age 8 to 50, can volunteer their time to help an elderly neighbor when the snow comes.

Mayor Kyle wants to start a list of willing young assistants, who will help senior citizens during snow storms. Community Service credit can be earned for future needs. And, your heart will swell with satisfaction of helping your neighbor in a time of need. It certainly would qualify you as a “Good Deed Doer”.

If you have any questions on this information, please contact Sandy, Craig or Conrad in our Public Works Department at 708-349-6792.

Keep Your Valuables Safe

Every day, people across America fall victim to crimes. A majority of these incidents are “crimes of opportunity”.

Crimes of opportunity are crimes that are unknowingly facilitated by the victims, such as leaving your car or home unlocked. A criminal will take advantage of these situations to deprive you of your possessions.

While Orland Hills does not have a high crime rate, some of our residents and people who visit our village have been victimized by a criminal act.

Many of these incidents could have been avoided by simply locking a car door or not leaving valuables in plain sight. Some criminals will steal your possessions no matter how hard you try to safeguard them.

If you have any questions, please call the Orland Hills Police Department at 708-349-4434.

Following these tips may help keep your valuables in your possession:

- Always lock your car when leaving it unattended.
- Never leave your car running unattended.
- Trim back high bushes near your doors & windows.
- Turn on outside and inside lights when you’re not home.
- Have a neighbor pick up your mail and newspapers when you are on vacation. Better yet, have them park in your driveway while you are gone.
- Be creative when hiding or storing your valuables. Most people store them in the bedroom which is a favorite spot for thieves. Consider putting jewelry in a zip lock bag in a large box of detergent under the sink. Keep expensive jewelry in a safe or safe deposit box.
- Always record serial numbers of valuable electronics. Take photographs of the items as well. It can help with an insurance claim.
- Place a “Beware of Dog” sign in your yard or window.
- Consider a home alarm system.
- Most of all, be vigilant. If you see something suspicious, or people or cars that aren’t usually in the neighborhood, call the Police.

Mayor Kyle R. Hastings & Board of Trustees **Host Fall Kick-Off Clinic**

Mayor Kyle R. Hastings and the Village Board of Trustees hosted a Fall Kick-Off Clinic for the Orland Hills Wolves Youth Football and Cheerleading Association.

The clinic was held on Saturday, August 11, 2012 from 4:15pm until 6:45pm.

The Olivet Nazarene University Tigers Varsity Football Team assisted the Village in running the football clinic.

The football clinic began at the Kelly Park Football Field. Mayor Kyle R. Hastings, Trustee Candice Morrison, Trustee Tracy Roti and Trustee Joseph Janachowski were in attendance. Mayor Kyle R. Hastings welcomed all to the event. After Mayor Kyle R. Hastings speech, Olivet Nazarene University Varsity Head Football Coach Mr. Brian Fish spoke to the Orland Hills Wolves Youth Football and Cheerleading Association regarding football and personal values.

the field was setup and divided into numerous stations by the Olivet Nazarene University Varsity Football Team. The stations were setup for agility drills, blocking, running, throwing, pass receiving, defensive line and offensive line.

After the youth football clinic, the Olivet Nazarene University Varsity Football Team and Staff had a practice on the Kelly Park Football Field. During the Olivet Nazarene University Varsity Football practice, the Orland Hills Recreation Department served hot dogs, chips and water to the Orland Hills Wolves Football and Cheerleading Association.

After the Olivet Nazarene University Varsity Football Team practice, the football team and their staff were served pizza, hot dogs, chips and water in the gymnasium.

A special thanks to Head Coach Mr. Brian Fish, his coaching staff and the Olivet Nazarene University Varsity Football Team for coming to our Village and instructing the Orland Hills Wolves Football Association. It was a very enjoyable and unforgettable event. By the looks on their faces, the Orland Hills Wolves Football Players and the Olivet Nazarene University Varsity Football Team had a wonderful time.

The clinic began with warm ups and drills beginning and with the goal line stretch. After the stretching,

Credit Card Processing Coming to Orland Hills

Mayor Kyle R. Hastings is proud to announce, "New equipment is being installed during the month of November that will provide the opportunity for residents and village customers to use a major credit card at village facilities for most village transactions."

Village Hall transactions will include vehicle and pet licenses, ordinance and building code violations, contractor's licenses and building permits, fees, fishing and garage sale permits, as well as, police department tickets, fines, recreation department activities and team fees.

The Police Department front desk, will be able to process all police transactions, such as tickets, fines, bonds, etc.

All Recreation Center activity fees, fishing licenses and team registrations will be able to processed at the Community Center.

We are working on providing "on-line" capability in the near future.

Un-Used Medicine Drop

The Village would like to remind residents of the drop off box located in the Police Department located in the lower level of the Village Hall at 16039 S. 94th Avenue.

This program started June 16, 2011 and to date more than 1350 containers of unwanted medicine has been turned in. The medicine is then disposed of in the proper manner.

The benefit to the drop box is that it offers an alternative to throwing it away or flushing it down the toilet which is harmful to the environment. It also keeps it from falling into the hands of someone who shouldn't have it.

The program is open to both residents and non-residents. No needles or sharp objects are accepted. The drop box is accessible Monday thru Friday from 8:00am until 4:30pm.

Emerald Ash Borer

The Village has a number of Ash trees, on public property, which have been affected by the Emerald Ash Borer (EAB) insect. The Village has been closely following the experiments conducted by a consortium of agricultural schools at Big Ten Universities, namely Michigan State, Purdue, Ohio State, Illinois and Wisconsin. www.emeraldashborer.info/

So far the treatments which have been tested have varying results and are marginally favorable. The Village's Policy on addressing the EAB infestation

is to remove trees on an as needed basis. The hope is that science can find a way to save some of the trees.

This summer the Public Works Department removed 22 trees. The tree stumps, from the removed trees, have not been mulched yet, however, a contractor will be selected and will perform those services this year. If you have any questions on this information, please contact Craig, Sandy or Conrad in our Public Works Department at 708-349-6792.

Residents!

While raking or blowing your leaves, please do not put them in the street. The leaves then blow and clog up the sewers!

Thanks for your attention to this matter!

Bag them for the Waste Management yard waste pick up.

The Village of Orland Hills Party in the Park Celebration

Mayor Kyle R. Hastings and the Village of Orland Hills held a Party in the Park Celebration this year. The event was held at Kelly Park and was a three day festival, which began on Friday, June 29th continued through Saturday, June 30th and concluded on Sunday, July 1st. The three day celebration consisted of musical entertainment, food vendors, special guests, a beer and liquor tent, a family tent and plenty of children's activities. Below are some of the highlights of the event.

On Friday, the celebration began with a country band called: "Jin & Tonic. The main musical entertainment for Friday night was Infinity but due to extreme weather conditions and taking in account the safety of the residents, the band did not perform and the second half of the event was cancelled.

Saturday began with the children's activities which included Andrew High School face painting, air brush tattoos, jumpers and an obstacle course. During this time, the Orland Hills Karate Club and the Turning Point Dance Academy Dance performed. Children were able to cool off during the hot weather by using our spray tent which was located near the Concession Stand.

The first band to perform on Saturday was High Infidelity. After the Hi Infidelity performance, it was time for our main entertainment to begin. The famous Beatles Tribute Band: "American English" took the stage. The band started their performance with the early Beatles show of the 60's.

The Villages announcements followed with Mayor Kyle R. Hastings as our host. After the announce-

ments, the National Anthem was sung by our resident Mrs. Rhoda Kulig. After the National Anthem the Annual Fireworks show began. The Fireworks were the most spectacular to date and were shot to choreographed music. The fireworks lit up the sky for a half hour. The grand finale was unbelievable!!!

After the fireworks display, American English rocked the audience, changed

into different costumes and sang songs from the Magical Mystery Tour and the psychedelic era. Their performance lasted until midnight. The audience, young and old enjoyed the music and sang along to songs like "Hey Jude" and "Let It Be."

On Sunday, the event began with the children's activities, which included the Exotic Animal Show, petting zoo, henna tattoos, air brushing tattoos, Skiddles the Clown, games, jumps with an obstacle course and Sports Authority Day. After the children's events concluded, four different bands were scheduled to perform.

The bands that performed on Sunday were the following: House of Music Showcase, Sh' Bang, Self Inflicted and 7th Heaven. Our closing musical act was the famous band 7th Heaven. This band rocked the evening by playing popular hits and performing a melody of popular songs which included a large screen television and a laser show. The group also performed their famous: "30 Songs in 30 Minutes" and everyone were on their feet dancing! They were great!!

Mayor Kyle R. Hastings and the Board of Trustees would like to thank all of our food, beer and liquor vendors for participating in our Party in the Park Celebration. The vendors that participated in our event were Ricobene's, Hienies McCarthy's, Jersey Mikes, Mo's Chinese Kitchen, El Pueblito, Little Jimmy's Italian Ices, the Orland Hills Wolves T-Ball, Baseball, Softball Association, Saint Elizabeth Seton Men's Club, Dan D Jac's and Zante's.

A special thanks to all the Village sponsors that help make this event possible, because without their sponsorship, this event could not take place. Some of the sponsors that participated in the Party in the Park Celebration were Illinois American Water, Orland Towne Center, Comcast, X infinity, Waste Management, Exelon and Odelson & Sterk LTD. The Village is already making plans for next year's event. See you next year!!!

Did You Know A Pet License Is Required?

The 1 Mile race will start promptly at 9:00am and the 5K Open Race will begin at 10:00am. The entry fee for this year is \$20.00 for pre-registered entries (ends on Wednesday, November 14, 2012) and \$25.00 post-registration (Thursday, November 15th thru Day of Run).

1 Mile Run Special: \$12.00 discounted fee for any participant who attends Cardinal Bernardin School, Kirby School District 140 and Orland School District 135. The discount is only valid for the 1 Mile Run and all runners must be pre-registered by Friday, November 2, 2012 for the special entry fee.

Various race classifications range from 9 years & under for the 1 Mile Race to 70 years and over for the 5K Race. Awards are presented to the overall winners for men and women, along with 1st through 3rd place winners in each running classification. Entry fee entitles the participant to a free sweatshirt, snacks and refreshments at the race. Walkers are welcome!

Anyone wishing to pre-register for the race can stop by the Community Center, 16553 S. Haven Avenue. The Community Center is open Monday through Friday, 8:00am – 10:00pm, and Saturday, 9:00am – 5:00pm. For more information, please contact the Orland Hills Recreation Department at 708-349-7211 or visit our website www.ohrecreation.org to download a registration form.

Girl Scouts Beautification Presentation

Every year the Girl Scouts Troops plant flowers at the Village of Orland Hills welcome signs. Mayor Kyle R. Hastings honored each girl with their troop on Wednesday, June 20th at the Village Board Meeting. Each girl received a beautification certificate along with a merit/achievement patch for their vest. The

Village also had refreshments for everyone who attended. Following are pictures of those helpful little hands who participated in the flower planting efforts along with the Mayor.

30th Annual Fishing Derby

On Saturday, September 8, 2012, young and old anglers tested their fishing skills by participating in the **30th Annual Fishing Derby**. The Derby was held at Ashbourne Lake which is located at 9101 S. Meadowview Drive.

It was a brisk morning but that didn't stop more than 120 people from attending the Derby. As the afternoon approached the weather was beautiful and just perfect for our derby!

A special thanks to Village Trustee Candice Morrison and the Advisory Park and Recreation Commission

Members Pat Zarnowski, Steve Rudh, Bob Kaslewicz and Brian Evans. The Recreation Department would also like to thank the Community Service students from Victor J. Andrew High School and Carl Sandburg for measuring the fish and cleaning up the area after the event. The Recreation Department would also like to give a big thank you to Subway for donating the delicious cookies enjoyed by anglers and well wishers alike. Plaques were awarded for the longest fish in each age classification. The winners of the 30th Annual Fishing Derby are listed below:

Memories of the 30th Fishing Derby

Places you should go!!!

In Orland Hills, we will showcase a business, which strives to be “one of the best” and one which “stands out from the rest”.

This new business does just that. It is owned by an individual who served our Country proudly, in the Armed Services, and is a resident of Orland Hills. He is Dennis DeZutter and his wife Cyndi, who, together opened a wonderful eatery called **Blissful Banana Café**.

The Blissful Banana Café opened for business in Orland Park at 15447 S. 94th Avenue, next to Mario Tricoci. Blissful Banana Café has home made pastries, nutritional and healthy food, while having some of the best brewed coffee

in Orland Township. The menu items are made fresh, daily. Their entire presentation has that “friendly neighborhood touch”, unlike major restaurant chains or franchises.

Dennis and Cyndi DeZutter have been residents in Orland Hills for nine years and have six children. Cyndi, who is a former “Cheerleader Mom” who thought it was important for her family and other families to eat healthy!

The menu has many delicious items including whatever the season has to offer in fresh fish. The place is beautifully decorated and has a relaxed, cozy atmosphere. Everything is baked fresh with no sodium. The most famous item on the menu is the Banana Bliss! This is a pure frozen banana that is whipped and tastes amazing!

“This is one of the best places to sit and have a cup of coffee, while enjoying good food. I would highly recommend Blissful Banana Café to relax and take a break from your busy day. This is one of the Best Kept Secrets in the area”, Mayor Kyle Hastings said.

We wish Orland Hills residents Dennis DeZutter (one of our Country’s Military Veterans), his wife Cyndi and their children the most success with Blissful Banana Café!

Be Prepared for and Summer Storms

Most of Orland Hills' flooding and drainage problems occur during and after heavy storms. These can happen at any time, but are more common during the summer. There are many things that can be done to prepare for the storm and the water problem that may follow.

Here are some things to do:

- Keep ditches, drainage swales, detention basins and storm sewer inlets clear of debris.
- Check with the Building Department to determine if you are in a mapped floodplain or if there is a history of flood problems in your areas. The Building Department can be visited at Village Hall or reached by calling 349-4887.
- Ask the Building Department about how you can protect yourself from your water problem.
- During a rain, keep tuned to local radio or television stations to see if there is a tornado or flash flooding hazard.
- Make a record of all your personal property. Go through your basement (if not your whole house) house and record what you own. Take photographs or videotapes. Inventory forms are available free from most insurance companies or you can make your own.

Flood Safety

Do not walk through flowing water. Drowning is the number one cause of flood deaths. Currents can be deceptive; six inches of moving water can knock you off your feet. Use a pole or stick to ensure that the ground is still there before you go through an area where the water is not flowing. Do not drive through a flooded area. More people drown in their cars than anywhere else. Don't drive around road barriers; the road or bridge may be washed out

Stay away from power lines and electrical wires. The number two flood killer after drowning is electrocution. Electrical current can travel through water. Report downed power lines to the Police Department at 349-4334.

Look before you step. After a flood, the ground and floors are covered with debris including broken bottles and nails. Floors and stairs that have been covered with mud can be very slippery.

Turn electrical power off before entering a flooded room or basement. You or someone in your family could be electrocuted stepping into charged water. Be alert for gas leaks. Use a flashlight to inspect for damage. Don't smoke or use candles, lanterns, or an open flame unless you know the gas has been turned off and the area has been ventilated.

Carbon monoxide exhaust kills. Use a generator or other gasoline-powered machine outdoors. The same goes for camping stoves. Charcoal fumes are exceptionally deadly. Cook with charcoal only outdoors.

Clean everything that got wet. Floodwaters have picked up sewage and chemicals from roads, farms, factories, and storage buildings. Spoiled food, flooded cosmetics, and medicine can be health hazards. **When in doubt, throw them out.**

Take good care of yourself. Recovering from a flood is a big job. It is tough on both the body and the spirit and the effects a disaster has on you and your family may last a long time. Keep your eyes open for signs of anxiety, stress, and fatigue in you and your family.

More information on these measures can be found in the **Village's Guide to Flood Protection**. Get a free copy at the Village Hall.

Stormwater Management and Pollution Prevention Update

The Village has a number of stormwater detention facilities around town. Their function is to hold water when heavy rainstorms occur. They are designed to hold the rainwater, which is greater than the capacity of the storm sewer system and release the water, once the rain stops.

Detention facilities are very important to the stormwater control system, which helps to reduce or eliminate flooding. Mayor Kyle R. Hastings instituted a plan to develop this safety precaution, when he was first elected, in 1993. In order for the stormwater management system to continue being viable your Public Works Department performs maintenance on a regular basis.

You can assist this maintenance process by contacting the Village when you notice debris accumulations in the detention areas or storm sewer inlets, which become clogged with leaves or other debris. Working together, we can continue to keep Orland Hills the “Best Kept Secret in the Southwest”.

According to FEMA (Federal Emergency Management Agency), some property is located within the boundaries of the floodplain as established by this federal agency. The Village of Orland Hills wants

to make you aware of these flood hazards,

what the Village is doing about flooding, and some things you can do in addition to the Village's efforts. The Village is expanding their outreach efforts to include two public hearings each year, where

stormwater management issues will be discussed. We strongly encourage residents to become engaged in this process.

The Village Building Department at the Village Complex provides the following:

- Information on whether a property is in a mapped Floodplain and related Flood Insurance Rate Map data;
- Records of past flooding;
- Advice on how to protect a building from water problems;
- Guidance on the laws that govern construction and property improvements;
- Site visits to view the cause and possible solutions to a problem.
- Guidance on how to improve yard drainage from stormwater.

Flood maps and flood protection references are also available at the Tinley Park Public Library.

Flood Insurance Rate Maps (FIRMS) may be viewed on line at <http://www.fema.gov>.

A copy of the Village's updated “Guide to Flood Protection” is available at the Village Hall. The guide is filled with additional information on flood proofing, protection and prevention along with information on wetlands and water quality issues. This publication is also available at the Tinley Park Library or on their website at www.tplibrary.org. This publication is also available at the Orland Hills Village Complex, at no cost. Guides are also available for reference in the plumbing aisle of your local hardware store, Park Ace Hardware Orland Hills and Tinley Park, as well as, Home Depot in Orland Park.

Additional information regarding water quality issues and the National Pollutant Discharge Elimination System (NPDES) is available on line at <http://cfpub.epa.gov/npdes>. and <http://epa.state.il.us>. If you have any questions on this information, please contact Joe, Karen or Conrad in our Building Department at 708-349-4887. The Public Works telephone number is 708-349-6792.

Call Julie Before You Dig

Today, more utility companies and municipalities that supply power, gas, water, and telecommunications are delivering these services underground. With this in mind, JULIE, Inc. and its members are promoting the importance of calling the Illinois One-Call System before any digging projects and stressing safe-digging practices to professional excavators and homeowners as part of a statewide “Dig Safely Illinois” education campaign.

“According to state law, anyone planning an outdoor project that requires digging, regardless of the depth or the size of the outdoor project, should call JULIE at 1-800-892-0123,” said Kevin Chmura, director of Public Relations at JULIE, Inc. “The call to JULIE and service provided by members are free to the excavator. Call center operators are available to receive and process calls 24 hours a day, seven days a week.”

TYPES OF OUTDOOR PROJECTS

Common examples of homeowner projects that require a call to JULIE before digging include putting up a fence, installing a swing set, a mailbox post or new water feature, building of a deck or room addition; preparing a new garden area or adding new trees, bushes or shrubs.

JULIE, Inc. is a not-for-profit corporation that provides excavators with a toll-free number (1-800-892-0123) for the free locating and marking of underground facilities. JULIE serves as a notification service for underground facility owners, taking information about planned excavations and distributing this information to its membership. It is then the responsibility of each facility owner to mark the location of their underground facilities at the excavation site. JULIE neither owns nor marks any underground facilities.

JULIE, Inc. promotes an easier, safer digging environment and serves the entire state of Illinois outside of the city of Chicago, which is covered by DIGGER. Illinois law requires anyone digging to call JULIE at least two working days prior to the start of excavation and to begin that project within 14 calendar days from the call. The 48 hour notice does not include Saturdays, Sundays or holidays. For more information visit www.illinois1call.com.

SAFETY TIPS

Loss of utilities can leave communities without such vital services as police, fire, and medical protection. JULIE's tips for outdoor digging projects include:

1. Call JULIE (1-800-892-0123) before you dig
2. Wait the required amount of time (two working days)
3. Respect the marks
4. Dig with care

PLEASE!

Do Not Feed the Wildlife

The Orland Hills Recreation Department would respectfully request that all residents do not feed the wildlife. This rule will be strictly enforced by the Orland Hills Police Department. If you have any questions, please contact the Orland Hills Recreation Department at 349-7211.
